On ............................................... an Education Officer from the RSPCA came to visit our school.
His/her name was .............................................................

▼ Draw a picture of the RSPCA visitor.
He/she brought some ..................................................
to meet us. Their names were ............................
...........................................................................
They were very .............................................

▼ Draw a picture of the animals.
The RSPCA looks after lost and sick animals. They find new homes for animals like d___s,
C___S and _______________________

▼ Draw a picture of what you think the RSPCA might look like.
The RSPCA looks after many different kinds of animals.

All of the animals need:

In each box, draw a picture of an animal enjoying each item.
People can visit the RSPCA to adopt a pet. If I could adopt any pet, it would be a ..........................................................

▼ Draw a picture of your favourite pet with all the things it would need.
To make sure my pet is healthy and happy, I must give it ……

.................................................................................................................................

▼ Draw a picture of you and your happy pet.
Here comes the RSPCA

When the RSPCA visited, I learned ............... 

...........................................................................

...........................................................................

▼ Draw a picture of the best part of the RSPCA visit.
I’m really happy that the RSPCA came to visit. I will visit them again on their website at www.rspcavic.org
