On ............................................... we visited the RSPCA.
I felt ............................................................

▼ Draw a picture of the RSPCA.
In the RSPCA Barn there were lots of animals.

We saw ..............................................................
.............................................................................
.............................................................................
My favourite animal was ...........................................

▼ Draw a picture of your favourite animal in the barn.
In the barn I fed the .....................................................

Its name was .............................................................

They like to eat ..........................................................

▼ Draw a picture of the animal you fed.

Can you remember its name?
The RSPCA looks after many different kinds of animals.

All of the animals need:

- Water
- Food
- Shelter
- Exercise
- Friends

\( \text{In each box, draw a picture of an animal enjoying each item.} \)
Let’s Go to the RSPCA

The RSPCA looks after lost and sick animals. They find new homes for animals like d___s, c___s and

▼ Draw a picture of what you think the RSPCA might look like.
Let’s Go to the RSPCA

People can visit the RSPCA to adopt a pet.
If I could adopt any pet, it would be a ......................................................

▼ Draw a picture of your favourite pet with all the things it would need.
Let's Go to the RSPCA

When we visited the RSPCA, I learned ............... 

...........................................................................

...........................................................................

▼ Draw a picture of the best part of the RSPCA visit.
I’m really happy that we visited the RSPCA. I will visit them again on their website at www.rspcavic.org.
